

Personal and professional transparency is a cornerstone to my existence and working with people and companies that instill integrity is essential.

Trust
Empathy
Connections
Balanced Ego

Reliance
Mentor
Delegation

I lead by example, supporting others and companies in reaching goals without sacrificing my professionalism and integrity, focusing on coaching and learning from others.

I enthusiastically approach people, projects, tasks and thoughts in order to learn, apply and produce positive results – and it shows! I have a lot of energy!

ENERGY

PRODUCTIVE

Because of strong organization and entrepreneurial skills, I am able to deliver more in or under decided timelines.

- ✓ Greater Output
- ✓ Extra Time
- ✓ Balance

CREATIVITY

I think, I dream, I ideate all of the time – providing insights, ideas or other creative approaches to solve problems, develop programs or simply brainstorm for a more positive future.

Curious Ideation

Share

Humility

Understanding holistic business, covering all areas of production/delivery to customer/stakeholder relationships – every plan, decision or action is based on comprehensive knowledge of business, where every person and penny counts.

ENTREPRENEURIAL

- Strategic
- Relationships
- Efficient
- Cross-Functional
- No Vacuums

Organize things, thoughts, processes to deliver results without undue stress, confusion and concern from collaborators and/or leadership.

- Prepared
- Focused
- Collaborative
